

Orpheus News 2015 : July - September

Launching of the Absolute Mediaserver

Orpheus' Team is very proud to officially present its brand new device, the Absolute Mediaserver which was showcased for the first time to the public during the High End 2015 in Munich. It will be officially launched on the market in September 2015.

September: Orpheus in Tokyo

Our Heritage Line will be in demonstration during the Tokyo International Audio Show.

The event will take place from the 25th to the 27th of September.

Our official distributor in Japan, Yukimu Corporation, will be more than happy to welcome you and present our brand.

Orpheus at the Tokyo Show 2015

You will find pictures of Orpheus' devices during the Tokyo Show 2015 on our Facebook page.

For more information about the showroom and distribution in Japan, please feel free to contact our distributor Yukimu Corporation: support@yukimu.com
