April 2013

This year, we will again attend to the High End show in Munich. We will plan to present you our actual product and also our brand new project and products.

March 2013

Every year we try to surpass ourselves and we develop new project in order to satisfy the wishes of our clients. This year will not differ.

Effectively, after the presentation of Digital Audio Dock in 2012 as well as the update of our Synfonia Phono Preamplifier, our team will show up two new devices for the beginning of 2013.

We plan to present you our new products at Munich in Mai.

We can assure you will be completely surprised and satisfied of those new devices and their design.
