

Orpheus News 2015 : April - June

Münich High End Show 2015

Once again we are going to attend the High End Show in München from the 14th to the 17th of May.

During this show, we are going to present for the first time our brand new product, a Mediaserver. You will have the opportunity to discover in exclusivity our new Line that will replace the Privilege and Vanguard Lines! In the meantime, you will also be able to listen to our complete Heritage Line as well as our other new developments.

To discover them, please visit us in our showroom that will be located in Atrium 4, room E 106.

We will be more than happy to welcome you and answer your questions.

We are looking forward to seeing you at the München Show!

Show Report: Orpheus at the High End 2015 in München

For the sixth time, Orpheus Media has participated to the High End 2015 in München. Orpheus' brand new development, the Absolute Mediaserver, was showcased for the first time to the public and was very well received by the audience.

Please find attached our complete Press Release in the Press area.
