

Orpheus News 2014 : January-March

HAPPY NEW YEAR!

January: Hong Kong Showroom

Some picture of the new Showroom our of
Distributor in Hong Kong.

We invite all our customer from Hong Kong to visit
this Showroom.

February: Stereo Sound Grand-Prix 2013.

We are really proud that our two audio device Heritage SACD and DAC III receive the Stereo Sound Grand-Prix 2013.

Our Brand was represented at the Award ceremony by our distributor Yukimu Corporation and we thanks his team for it.

March: our New Heritage Product

We are proud to present our new product of the Heritage line.

This Power Amplifier can be use as Mono (1 x 1000W), Stereo (2 x 250 W) or bi-amp.

We are really satisfied of the result of this new product.

For the first time we will present it at the Munich High End show in May.

We invite you to discover this beautiful product at the show.
